Thursday wreck injures one

(MSC News)--One woman was transported to the hospital with moderate injuries after an accident on the Amelia Earhart Memorial Bridge Thursday evening.

The accident happened around 6:30 p.m. in the westbound lanes of U.S. Highway 59, east of Atchison, on the Missouri side of the bridge.

The Buchanan County Sheriff's Department said a woman with a preexisting medical condition suffered a medical episode and rear-ended a truck pulling a hay baler.

The woman was transported to Atchison Hospital with moderate injuries, according to authorities.

Names were not immediately made public.
