Two local cities awarded grants

**(KMZA)--Two local cities are among thirty-nine Kansas communities that have been awarded Community Development Block Grants from the Kansas Department of Commerce.**

**Secretary of Commerce David Toland announced grant awards Thursday totaling more than 17 million dollars.**

**The city of Centralia will receive a \$535,423 grant to complete an electrical distribution system improvement project through the city. The city will contribute a similar amount in local matching funds.**

**The city of Marysville will receive a \$600,000 grant to build a new fire station. The city will contribute more than \$938,000 in local matching funds.**

**The new fire station is to be built on city owned property on North 20th Street adjacent to Feldhausen Field.**
