

Brown Co Courthouse to remain closed to public

**(KNZA)--The Brown County Courthouse will remain closed to the public until May 18.**

**The Brown County Commission voted Thursday to extend the closure to allow time for a re-opening plan to be developed and to acquire adequate supplies for disinfecting.**

**The Commission made the decision after hearing input from county department heads.**

**The Courthouse has been closed to the public since March 19 due to the coronavirus pandemic.**

**Residents are urged to conduct county business by mail or electronically. There will be limited staff in county offices, who can be contacted by phone during regular business hours.**

**The Commission set a special meeting for 8:30 Friday morning to discuss how to proceed with allowing local businesses to open to the public. The meeting will be broadcast live on the county's Facebook page.**
