Two additional COVID-19 cases confirmed in SE Neb  
**(KLZA)-- The Southeast District Health Department has confirmed two additional cases of coronavirus within the district which includes Richardson, Pawnee, Nemaha, Johnson and Otoe counties.**

**A male in his teens living in Nemaha County and a female in her twenties who lives in Otoe County are the two newest COVID-19 patients in the area.**

**All identified close contacts will be asked to self-quarantine. Individuals with symptoms consistent with COVID-19 should self-isolate to avoid transmitting the virus to others.**

**As of Monday the total cumulative confirmed cases of COVID-19 within the district is 15. Six are in Johnson County, six in Otoe County, two in Nemaha County and one in Richardson County.**
