

Personnel changes to Falls City Board of Adjustments

(KLZA)-- The Falls City Council approved the appointment of Alan Romine to the Board of Adjustments as recommended by Mayor Shawna Bindle when they met last week.

Romine previously served at the City Utility Superintendent before retiring.

Mayor Bindle noted the long service of two members retiring from the Board. Gary Nelson and Sandra Hartmen have each served 34 years as volunteers on the Board.

The Council also heard a report on a technology plan and security system for City Hall from Brad Griffin.
