Budget set by Nemaha County NE Board

(KLZA)-- Nemaha County, Nebraska Commissioners approved a 2020-21 budget with a tax request of \$3,890,205 with a property tax levy of approximately 34.5-cents per \$100 of assessed valuation when they met September 2.

According to the Nemaha County Herald the levy is approximately a half-cent higher than the previous budget.

The overall tax request is down nearly \$5-thousand from last year, but the valuation of property in the County is approximately \$17.66-million lower than last year due to flooding and the removal of some land from the tax rolls.
