Holt County COVID-19 cases climbing

(KLZA)--The Holt County, Missouri Health Department confirmed one additional case of COVID-19 Tuesday.

The latest positive test brings the total in the county to 89, six of which remain active.

The Holt County Health Department recommends that you maintain physical distance of six feet when in public settings, stay home when you are sick and continue to clean frequently touched surfaces, wash hands often and wear a face covering when you cannot maintain six feet of physical distance.
