Local Radio Stations Offer New Streaming Sites

Our group of five KNZA Inc. local radio stations are now using a new internet streaming provider. If you have previously saved our streaming links you will need to delete them and create a new short cut with the updated streaming address sites. You can save an individual station streaming site, or here is the link to all of our station streaming sites free and world wide anytime:

<http://mscnews.net/indexc.cfm?pk=12>

Our five local stations include: KNZA 103.9 FM, KMZA 92.1 FM, KAIR 93.7 FM, KLZA 101.3 FM and KTNC 107.1 FM.
