

Two injured in Doniphan Co rollover wreck

(KNZA)--A Saturday afternoon roll-over wreck in Doniphan County sent two people to the hospital.

According to a press release from the Doniphan County Sheriff's office, it happened shortly after 2:30 on U.S. 36 Highway at Ottumwa Road.

The Sheriff's Office says a SUV was westbound on U.S. 36 when the driver failed to negotiate a curve. The driver over corrected, crossing the center line, and over corrected a second time, sending the vehicle into the north ditch.

The release says it appears the vehicle rolled multiple times before coming to rest upright.

Emergency responders were able to pry the door open to get the two occupants out.

The 62-year-old female driver and 69-year-old male passenger, who were both wearing seatbelts at the time of the wreck, were transported to Mosaic Life Care, in St. Joseph, with what were believed to be non-life threatening injuries.
