Superintendent Darrel Kohlman reviewed the first draft of the Strategic Plan for 2021-2026. Kohlman said the next step was to conduct a facility needs survey, with input from a diverse group of stakeholders.

In other action, Kohlman reported that USD 115 will be receiving around \$190,000 in the second round of federal emergency relief funding to offset expenses the district incurs due to the COVID-19 pandemic. The funds need to be spent by September 2023.

The USD 115 Board approved a resolution stating the board's decision to hold the election of school board officers in January instead of July.
