

NioCorp to host town hall meetings

(KLZA)-- NioCorp Developments has announced that it will hold two separate town hall Meetings on Thursday, November 17, 2022 to discuss progress being made on the Elk Creek Critical Minerals Project.

The first town hall will start at 12 noon Central, and the second will start at 6 p.m. Central. Both events will be held at the Kimmel Ag Expo Center, located at 198 Plum Street, in Syracuse, Nebraska.

NioCorp is hosting two separate events in order to accommodate high expected demand and to stay within the size limits of the Kimmel Ag Expo Center. Each event will feature the same presentation and question-and-answer opportunities. Advanced reservations are required. Due to space limitations, participant reservations will be limited to a single event.

For the lunch meeting doors will open at 11:45 a.m. and the doors open for the dinner time meeting at 5:45 p.m.
