

TSCI inmate assaults staff members

**(KLZA)-- The Nebraska Department of Corrections is reporting that an inmate at the Tecumseh State Correctional Institution assaulted several staff members on Monday.**

**The report alleges the inmate was aggressive and started cursing at a staff member. The inmate then punched that person in the face. A second staff person who came to assist was also hit in the face and a third staffer was struck in the head, resulting in an injury requiring medical attention.**

**Once he was restrained, the inmate then spit on a fourth staff member while being escorted from the area.**

**One of the staff members was taken to the hospital due to their injuries.**

**Results of an investigation into the incident will be provided to the Johnson County Attorney for determination of criminal prosecution.**
