Falls City Council approves audit report

(KLZA)-- Following a presentation by Julie Bauman, CPA, Tuesday evening the Falls City Council approved the Fiscal Year 2021-22 Annual Audit.

Bauman said her firm found no issues to report during the audit.

Bauman said the City has total business assets of more than \$48.4 million with total equity increasing in the past year by more than \$1.1 million. The equity increase was attributed to the city paying down its amount of debt.
