Jefferson County Commissioners to Consider Permit for Sand Dredging

The Jefferson County Commissioners will discuss a request for a conditional use permit for an off-river sand dredging operation during their regular weekly meeting Monday afternoon.

They will have a hearing for MCM properties at 2:30, which would be located on land described as 205 acres lying east of Lecompton road, north of the Kansas river.

Commissioners will also meet with Earl Rice at two to discuss chip and seal upkeep on 90th street.
