Olsen Chosen For Statewide Recognition

A local community leader, ag-producer, and philanthropist, will receive recognition Saturday, selected as the focus for the syndicated “Kansas Profile” program, hosted by Ron Wilson(Play Audio)

The show, focused on Olsen's accomplishments, including successful community fundraisers, can be heard right here around 7:30 Saturday morning(Continue Audio)

“Kansas Profile” is a weekly radio feature from K-State Research and Extension.

It's hosted by Wilson, who serves as the Director of the Huck Boyd National Institute for Rural Development, which works to help rural people help themselves.
