Highway 73 work underway northwest of Falls City

(KLZA) -- The Nebraska Department of Transportation has announced that Constructors Inc. of Lincoln has begun work on US-73 Highway north and west of Falls City.

The project includes pavement repairs, a bridge remodel and pavement overlays.

A pilot car will lead traffic through the area which includes lane restrictions, and temporary traffic signals. There is a 12-foot width restriction during the project which is anticipated to be completed in July of 2024.
