Last year's Match Day event drew 40 participating nonprofit organizations, with the Foundation collecting local gifts totaling \$245,253, with a total of \$338,935 raised after matching funds were calculated.

According to a release from the Foundation, \$125,000 in matching grant funds are available to provide a 60-percent match for funds raised by participating fundholders.

The release explains how Match Day works, saying a \$1,000 contribution to a selected charity will be supplemented with a \$600 grant from the Foundation for a net contribution of \$1,600.

Matching funds are first come, first serve, and max out at \$5,000 in match provided per organization.

The Atchison Area Community Foundation's "All Aboard Match Day" 2023 is scheduled for Friday, August 18, from 4 until 6:30, at the Atchison Event Center.
