

Vehicles collide near Atchison's hospital

**(KAIR)--An Atchison woman, who collided with another vehicle while enroute to Amberwell Atchison, was transported there following the crash, but not due to the wreck itself.**

**That word comes in a release from Atchison Police Chief Mike Wilson, who says 18-year-old Morgyn Gerber, Thursday afternoon at 3:00, was turning south onto the entrance road to the hospital, after having been eastbound on Ravenhill Drive, when her vehicle struck a northbound vehicle that was stopped at the stop sign at Ravenhill Road.**

**According to Wilson, Gerber was transported the rest of the way to the hospital by Atchison County EMS, but because of medical reasons not associated with the wreck.**

**The driver of the vehicle struck by Gerber was not hurt.**
