

3rd annual STEP-UP Nemaha Match day sets new record

(KMZA)--The Nemaha County STEP Foundation's third annual STEP-Up Nemaha Match Day set a new record.

The event was held on August 25, with donations taken in-person and on-line.

STEP Treasurer Tim Rottinghaus shared, “With online and in person donations on Match Day totaling \$133,425, a 77% increase over last year, we couldn’t be happier. After adding in the \$70,000 matching grant from the Patterson Family Foundation and donations from our generous STEP-Up Supporters the day-grand total was \$234,900. We truly thank the Patterson Family, our STEP-Up Supporters, and all who donated on that day.”

Executive Director Tory Jost said all twenty-nine funds received donations, which ranged from \$50 to \$28,263. Eight funds were successful in securing the maximum \$4,000 match.

The General Endowment Fund brought in the most overall donations with \$28,263.69. That was followed by the Sts. Peter and Paul School Fund with \$20,325, and the Centralia Project Fund at \$15,450. Three hundred eighty-one gifts were received.
