

Vehicle fire investigated in Atchison

(KAIR)--A joint investigation, between the Atchison Police and Fire Departments, is ongoing following a late Wednesday night vehicle fire on an Atchison Street.

According to a release from Atchison Police Chief Mike Wilson, first responders found the unoccupied 2017 Chevrolet Equinox to be fully engulfed in flames when they arrived at the street, where it was parked, in the 200 block of North 10th Street.

The emergency crews were called to the scene shortly before midnight when the vehicle fire was reported.

According to Wilson, the cause of the fire remains under investigation by the two Atchison agencies.
