

Jackson Co traffic stop leads to arrest

(KNZA)--A Sunday night Jackson County traffic stop leaves a Topeka woman facing felony drug charges.

It happened around 11:30, near 142nd and U.S. Highway 75, according to a release from Jackson County Sheriff Tim Morse, who says 37-year-old Danielle Ortiz was arrested at the scene of the stop by the deputy who pulled her over for a traffic infraction.

Ortiz now faces Jackson County charges for possession of methamphetamine, possession of a depressant and possession of drug paraphernalia.

She was, Morse said, also arrested on an outstanding Shawnee County warrant for burglary and theft.

Once in custody, Ortiz was booked into the Jackson County Jail.
