#### USD 409 Look to Take Action on iPad Initiative

Atchison Public Schools will look to take action on getting iPads into their school system.

They will discuss the one to one iPad Initiative as part of the school board's regular monthly meeting Monday night at seven at the Atchison High School library.

They will also continue to discuss the bond financing options and timeline, as well as talk about the mid-year review on their strategic plan.

The board will also recognize the KAMSA 2011-12 Assistant Middle School Principal of the year.
