Marysville Worker Killed On Job
A 35-year-old Marshall County man died after being injured in an accident at a Marysville manufacturing plant.
Marysville Police Chief Todd Ackerman said in a news release that Steven Medina of Waterville died after the accident early Friday at the Landoll Corp. in Marysville.
Ackerman says Medina was hit by a pipe shortly before 12:30.
He was taken to a Marysville hospital, where he later died.
Other details of the accident have not been released.
Landoll manufactures trailers, agricultural equipment and forklifts.
