Legislative Breakfast Planned In Holton

A chance to meet your representatives, both state and federal, will happen in Holton on Saturday. That's when a legislative breakfast will be held, allowing an informal way to address, and question, United States Congresswoman Lynn Jenkins and Kansas State Representative Trent Ledoux. Both Republicans are graduates of Holton High School, Jenkins in 1981, and Ledoux in 1992.

Also confirmed to attend is Robin Jennison, the Secretary for the Kansas Department of Wildlife, Parks and Tourism.

The legislative breakfast, hosted by the Holton/Jackson County Chamber of Commerce, will be held in the common area of the Holton High School beginning at 9:30 Saturday morning.
