Warrant Issued for Atchison Woman on Felony Theft

An Atchison woman facing felony theft charges has a bench warrant placed on her after she failed to appear in Atchison County Court Friday.

The 15 thousand dollar warrant was placed on Sacandra Casiano.

She is accused of taking a pair of slippers from Wal Mart on February 5th.

Due to prior convictions, the charge becomes a felony.

She also faces probation revocation on a felony theft charge from late last year.
