A state tournament bid and the Class 1A-Division II sub-state championship were up for grabs last night in two great matchups featuring the one and two seeds against each other in the boy's and girl's championship games. First up was the girl's game, featuring the B&B Falcons and the Wetmore Cardinals. In the boy's championship matchup it was the B&B Falcons taking on the Frankfort Wildcats. Like the girl's matchup this one would be back and forth between the two teams, actually needing an extra stanza to decide the winner, as it was tied at 47-47 at the end of regulation, forcing overtime. Overtime wouldn't disappoint as Frankfort took a one-point lead late and held on to secure a bid to the state tournament in Hays.

Coming out of the half Wetmore looked to score quickly and they did so to retake the lead and they did so, outscoring B&B by 10 in the second half to notch the 39-30 victory, winning the sub-state crown and earn themselves a state tournament bid.

Both teams fought hard throughout in a low scoring matchup with only two players finishing in double figures for both teams combined. Senior guard, Caitlin Deters finished with 10 points for the Falcons it what will be her finally high school game of her career. While senior forward, Kelsey Henry lead the way for Wetmore with 13 points, while making plenty of other big plays in the game for the Cardinals, as well.

After falling their sub-state championship game last year, the Wetmore Cardinals make sure they don't repeat that outcome as they win their twenty-first game of the season (21-2) and win the sub-state championship. counterpart in the girls game the B&B Falcons lead at the end of the first half, 24-21.
