First of Two Riverside Meetings Set For Today

Riverside USD 114 officials will meet late this afternoon for the first of two meetings focused on a possible future reconfiguration.

Today's fact finding session for the School Board will begin at 5:30 in the District Office at Elwood.

The second meeting is set for Monday, in Elwood, at the east campus cafeteria.

Public comments, on the possible changes to affecting grade levels, will be heard from 5:30 until 6:15.

Once that concludes, the regular board meeting will be held.
