Doniphan County Conservation District has cost-share funds available

Doniphan County Conservation District has cost-share funds available to update failing home septic systems, to construct terraces, diversions and water & sediment control basins, and to plug abandoned wells. Signup is now through March 22. Signup hours are 8:00 to 4:00 at the Doniphan County Conservation District office located in the USDA building in Troy. Call 985-2221 ext 3 for more details. * These funds are provided by the State Conservation Commission through appropriation from the Kansas water plan fund.
