

KAIR Country 93.7 invites you to play "Cash or Crash"!

Brought to you by Amberwell Health and The Bank of Atchison...

Be listening for the "Money, money, money" sounder, beginning Monday, April 5th, during the 7 a.m. hour.

When you hear it call the contest line.

Be the correct caller number and you'll get to guess how much money we have in the KAIR Cash Vault.

We'll announce if the guess is too high or too low, so even if you don't get through the phone lines, you can still play along.

Have your spring shopper handy for a chance at a second guess.

Guess the exact amount, and YOU WIN IT ALL!!!
