Mailed Marijuana Leads to Sabetha Arrest

A 45-year-old Sabetha woman is in custody, following her Thursday afternoon arrest on drug related charges.

According to Sabetha Police Chief Robert Wahwasuck, officers learned that a package, allegedly containing drugs, was on its way to a residence located at 410 Grant Street. It had apparently been mailed to the address.

A search warrant was executed at the residence and officers retrieved what they say was approximately one pound of marijuana along with several pieces of suspected paraphernalia.

Arrested at the scene was Rikkie Chambers.

She was taken to the Nemaha County Jail on charges including distribution, possession of marijuana and possession of paraphernalia.

She remains in custody held without bond.
