CRP Emergency Haying & Grazing Approved for 91 Ks Counties

USDA's Farm Service Agency has announced that **emergency haying** and **grazing** of Conservation Reserve Program acreage has been authorized in 91 Kansas Counties, effective **Monday, July 16**.

Among the counties are Jefferson, Leavenworth and Pottawatomie.

Emergency haying

Participants accept a 10 percent reduction in the annual rental payment for the acres actually hayed or grazed in 2012.

CRP haying and grazing policies will be posted on-line at www.fsa.usda.gov/ks

in approved counties is allowed through August 15th and **emergency grazing** through September 30th.
