Highway 62 Work to Begin in Richardson County August 13th

(KLZA) Weather permitting, a chip seal project will begin August 13 on Nebraska Highway 62, according to the Nebraska Department of Roads. Chip seal is an application of an asphalt binder to a roadway surface followed by an aggregate.

State maintenance forces will be doing a chip seal from Reference Post 21 to Reference Post 30, nine miles west of Shubert. The work is anticipated to take four days. One-lane traffic will occur with the use of flaggers and a pilot vehicle.

Motorists should expect to see delays and are reminded to drive cautiously through highway work zones.
