Mound City Council to Meet Thursday

(KTNC) - The Mound City Board of Aldermen will meet at 5:30 Thursday evening.

New business for the council includes information regarding a project to replace the State Theater roof.

The council will get the swimming pool financial report, and will discuss plans to replace the bathhouse, and a quote to paint the filter tanks and stress crack.

The Street Department report includes discussion of an estimate to seal streets that were paved in 2008.

The council will hear presentations on the annual Wine Fest at Griffith Park, and the fall clean up. And Don Volz is scheduled to meet with the council about storm water drainage and other concerns.
