Benedictine College Sets Record Enrollment

(KAIR) -- For the third consecutive year, Benedictine College in Atchison has set an all-time high in undergraduate enrollment.

According to the school's Office of Academic Records & Registration, the official full-time undergraduate enrollment for the 2012-2013 academic year is 1,716, the highest in the 154-year history of the college.

That number includes 488 incoming freshmen, also a historic high for the college.

As a group, they represent 36 states, with Kansas, Missouri, Colorado, Nebraska and Minnesota sending the most students.
