### Cocking Gets Contract Extension

(KAIR) -- In a short meeting of the Atchison City Commissioners, Commissioners voted to give City Manager Trey Cocking a contract extension after an executive session.

The one year extension, plus raise, will run through the end of 2015.

In other business, Commissioners voted to enter into a new franchise agreement with Kansas Gas Service.

City Manager Trey Cocking says the new agreement will give them extra savings on their property tax bill.
