Minimal Road Incidents in Atchison Co from Storm

(KAIR) -- Atchison citizens took heed during the second round of storms to stay home or move their vehicles as the Atchison Police Department reports zero traffic incidents from this week's winter storm.

The Atchison County Sheriff's office reported one non-injury accident Tuesday, as Sheriff Jack Laurie says the vehicle slid off the road and through a fence.

Statewide, two fatalities were reported by the Kansas Highway Patrol in central to western Kansas attributed to vehicular accidents from Winter Storm Rocky.
