USD 409 Looks to Set Principal Interview Team

(KAIR) -- The Atchison Public School board will look to finalize a committee to pick a replacement for a retiring district principal Monday evening.

They will look to appoint at least one board member on the interview team to decide on Elementary School Principal Noel Rueb's replacement at seven at the Atchison Alternative School.

The board will also look to act on setting the 2013-14 and 2014-15 school calendars, as well as outlining the plan for summer maintenance, capital outlay and technology hardware.
