USD 409 Approves 2013-14 Calendar

(KAIR) -- Atchison Public School students won't have to worry about school starting in the same time frame as the Atchison County Fair.

The USD 409 board Monday night approved the 2013-14 calendar, which will have school start later than last year.

That's Superintendent Susan Myers.

She says the board also approved finalizing a committee on hiring a replacement for retiring Elementary School Principal Noel Rueb.

The committee will screen the 25 to 30 applicants that have applied and aim to make a hire by the April board meeting.

The new principal will begin working with the district July 1st.
