"Drought Proof Your Farm" Workshop

## "Drought Proof Your Farm" Workshop March 27 at the Blue Building in Horton, 5:30 – 8:00 pm

<u>Featured Speaker</u>: Dale Strickler, farmer, cattleman and educator. Dale will entertain and educate you as he describes what to do and what not to do to make the best of a dry situation. <u>Crop producers</u> will learn about cover crops and other management techniques that will:

? Improve rainfall infiltration & soil water?holding capacity

? Improve the ability of plants to extract water from the soil

? Reduce evaporation and runoff

? Increase crop rooting depth

<u>Livestock producers</u> will learn how to manage pastures to improve drought tolerance, use cover crops to grow extra forage and discover feed resources you didn't even know you had!

A free catered meal will be served 5:30 to 6:30 pm

\*\*In order to ensure we have enough food, please call 785-284-3422 by March 25 to pre-register\*\*
