### UNL Crop Management Clinics Planned Later this Month

(KTNC) - The 2013 Crop Management Diagnostic Clinics will be held July 17th and 18th at the Ag Research Development Center near Mead.

University of Nebraska-Lincoln Extension Educator Keith Glewen says the clinics are for anyone interested in crop management. (play audio :24 “grain yield.”)

Glewen shares some of the fun topics that will be discussed at the clinics. (play audio :28 “field equipment.”)

Glewen also looks forward to the C-S-I portion of the clinics. (play audio :28 “demonstrations on than.”)

For more information about the Crop Management Diagnostic Clinics, visit [www.ardc.unl.edu](http://www.ardc.unl.edu), or contact your local UNL Extension office.
