\$1 Million Powerball Ticket Sold in Northeast Ks

TOPEKA, Kan. (AP) - Kansas Lottery officials say someone in northeast Kansas bought a \$1 million Powerball ticket for the Saturday night drawing.

It's the second week in a row that a \$1 million win was recorded in Kansas. The lucky ticket matched the first five numbers, but not the Powerball. The winning numbers are 9-23-40-53-58 Powerball 6.

Last week, Nelson Worley of Osawatomie matched the first five numbers in the July 20th Powerball drawing to win \$1 million.

The Powerball jackpot increased to an estimated \$235 million for Wednesday's drawing.
