Jefferson Co Man Jailed On Child Sex Charges

(KAIR)--A 70-year-old Grantville man is behind bars in Jefferson County, accused of sex-related crimes with a young girl.

Sheriff Jeff Herrig says it was a brief investigation that led to Tuesday's arrest of Norman Bramlett.

Herrig, who declines to release the age of the victim, says Bramlett was not a stranger to the child, but will not offer additional details on how they were connected due to the nature of the case.

Bramlett remains jailed, booked Tuesday afternoon on charges including aggravated indecent liberties with a child.

He's held on a cash only bond of \$10,000.
