9-Year-Old Saved In Wamego Water Rescue

(KNZA/AP)--Heavy weekend rains lead to a daring Pottawatomie County water rescue.

It happened Sunday afternoon when a 9-year-old girl was washed away by the Kansas River at Wamego.

A bystander and Wamego Police were able to rescue her successfully.

Authorities say she was pulled nearly a mile from the river bank where she and her 17-year-old sister had been sitting.
