Hiawatha Native to Sign Book of Loss

(KNZA)--One year ago, Hiawatha native Melodye Hathaway published an online ebook focused on the 1977 disappearance of her disabled son, Jeremy, when they resided in Atchison.

Now, the ebook “Jeremy’s Cry” has been revised and published in traditional book form, renamed as “In search of Jeremy.”

Hathaway will discuss and sign the book Thursday evening during an appearance at the Morrill Public Library in Hiawatha beginning at 6:30.
