CMC in Falls City Nationally Recognized

(KLZA)-- Community Medical Center in Falls City is receiving national recognition by iVantage Health Analytics and the National Organization of State Office of Rural Health for overall excellence in Patient Perspectives and Financial Strength among all acute care hospitals in the nation.

The rankings have been designed by the Hospital Strength INDEX, the industry's most comprehensive and objective assessment of hospital performance. A data-driven program designed to identify excellence across a broad spectrum of indicators relevant to hospital performance and patient care. More than 4,000 acute care hospitals are included in the rankings, including over 1,300 rural and Critical Access Hospitals.

The honor showcases the hospital's commitment to continuous performance analysis and improvement. Michael Topchik, senior vice president of iVantage Health Analytics says the achievement celebrates the honored hospital's achievement as they continue to serve their communities, despite the many market, regulatory and financial pressures they face.
