Decision 2018: Atchison County Commission District 1

(KAIR)--Voters November 6 will determine the outcome of a number of state and federal elections, as well as one Atchison County race.

Democrat Charlie Perdue, who currently serves as an Atchison City Commissioner, is seeking the 1st District Atchison County Commission seat, currently held by Republican Jack Bower.

Bower, a former City Commissioner, is seeking election to the county position to which he was appointed last year following a vacancy.

MSC News Radio News Director Brian Hagen sat down with both candidates at separate times, posing to each the same set of four questions. Both Bower and Perdue had up to 90 seconds to deliver their answers to the questions.

The interviews are below.
