Disaster declared in Richardson County

**(KLZA)--Richardson County Commissioners have approved a Declaration of Disaster for flood damages that have occurred during the summer and fall of 2018.**

**In addition, a “State of Emergency” has been declared.**

**Higher than normal flows into the Missouri River from upstream dams coupled with rain and melting snow have flooded farmland in Richardson County and caused issues in Rulo.**

**Emergency Management Director Brian Kirkendall provided information on damages occurring within the Village of Rulo and requested the County Board approve the disaster declaration.**
