

New Falls City elementary principal hired

**(KLZA)-- A new Falls City elementary school principal has been hired.**

**Robert Alderson was hired by the Falls City Board of Education as the new South Elementary School Principal on February 7 following interviews with two candidates.**

**Alderson has been in education for 27 years, the last 18 serving as a Nebraska elementary principal at Wood River, Gibbon and Kimball.**

**According to a news release from Superintendent Tim Heckenlively's office, Alderson has a strong background in instruction leadership, school law, special education and data analysis.**

**In the release, Anderson noted it is very important for him to be able to build relationships with students, staff, and parents, saying he believes it is the key to building a positive culture that enhances education.**

**Anderson will begin his duties in Falls City with the start of the 2019-20 school year.**
