(KNZA)--An early Tuesday morning two-vehicle Jackson County wreck, north of Holton, sent two people to the hospital.

The Jackson County Sheriff's Office says the wreck happened shortly before 6:00 on U.S. 75 Highway about a ¼ mile north of 286th Road.

The Kansas Highway Patrol reports 22-year-old Roan Bruggeman, of Holton, was southbound when his car went left of center and struck a northbound semi-tractor trailer head-on.

Bruggeman, who was the lone occupant in his car, was transported to Topeka's Stormont-Vail Hospital with what the Patrol described as "suspected serious injury."

The semi driver, 56-year-old Emporia resident Rexford Dorsey, was also transported to the hospital with what the Patrol described as "possible injury."

A passenger in the semi, 34-year-old Emporia resident Patrick Arvitt, suffered no apparent injury.

The Patrol says all three occupants were wearing seatbelts.

The wreck shut down a stretch of U.S. 75 Highway for a period of time.
