Woman killed in Wednesday Pottawatomie Co crash

(KMZA)--Authorities say slick road conditions contributed to a single-vehicle Pottawatomie County wreck early Wednesday morning that claimed the life of a Manhattan woman.

The Kansas Highway Patrol says 67-year-old Ann Marie Lochner was killed in the wreck in the Elbo Lake housing division near Manhattan.

The Patrol reports Lochner was southbound on Elbo Lake Drive, at the intersection of Elbo Ridge View, when her Chevy Blazer left the roadway due to the snow and ice conditions. The vehicle landed on its top in a ravine.

Lochner, who was wearing a seatbelt, was pronounced dead at the scene.

The wreck was reported around 6:45 Wednesday morning.
